

Warrior 1967

ments to remember

Moments to Remember

Because she is so great, we dedicate this yearbook to Mrs. Edith Cribbs. The 1966-67 Warrior Staff salutes Mrs. Cribbs because she has contributed so much that we may become better citizens. Mrs. Cribbs has put many after school hours and much effort into building up the Junior High and High School libraries that we might have a better selection of reading and reference materials. In the past, Mrs. Cribbs has been class sponsor, play director, speech adviser and is always a willing worker in the many tasks she is requested to perform. For all that you have done, Mrs. Cribbs, we would like to express our deepest appreciation.

Editors' Message

In behalf of the Warrior Staff, we are happy to present for your pleasure, "Moments to Remember," your Warrior Yearbook for 1966-67. Speaking for the entire staff, we wish to express our appreciation to the many persons and businesses for their cooperation and support in making this book possible. To our sponsor, Nancy Stephens, we wish to say thank you for your patience and guidance in putting this yearbook together. We, the editors, would like to express our gratitude to each member of the annual staff for his efforts in the preparation of this yearbook.

It is our hope that in the following pages, we have recorded some of the "moments" you would truly like to remember in the years to come.

Sincerely,

Annetta Harden

Sue Brewster

Annual Staff

KHOURIE'S
Elk City, Okla.

You have made this year at Hammon School one which you will look back upon with pride in years to come. You have excelled in many fields as the ensuing pages of this annual will record. We are proud of you and your accomplishments.

To you, the graduating class, who are entering the ever-changing and difficult world of business, be constantly aware that success is not measured by the number of rungs climbed on the ladder. Success is measured through our happiness, peace of mind, and the attitude we have toward ourselves and others. This is something which cannot be achieved entirely through book knowledge, but rather through faith and constant striving to do our best in whatever field we pursue.

To the underclassmen, we look forward to seeing you again next year and will work together to make it an even better school year.

Eldon Payne

Superintendent's Message

To the Editors, Sponsor, and Staff:

As you look at these pages in years to come, a sense of pride will fill you for having had a part in recording the history of Hammon School. The extra work and time has been well spent in completing such a fine annual.

Hammon School has the name "Home of Champions!" The 1966-67 school year was a graphic demonstration of this name. The baseball team went to the State Tournament during the fall. Both our boys and girls teams went to the state in basketball. Hammon students have taken high honors in music, speech, FFA, FHA, and all the many activities in which they have been engaged. Certainly the future appears to be rosy with such outstanding boys and girls to run our country.

Our thanks goes out to the many loyal patrons who have supported our school and supplied us with the necessary teaching equipment and buildings to work with.

To the faculty and students a hearty thanks for your cooperation and hard work in making this one of the outstanding years in the long and prosperous history of Hammon School.

David B. Lamb

David B. Lamb

Hammon High School Students:

Each one of you have worked another year on the building of habits which will govern your adult life. I have observed that most of you have learned to control yourselves, at least to some degree. The more control each one has of himself, the less is needed from an outside source, (parents, teachers, and law enforcement officers) of any kind.

The Seniors on commencement will take on the responsibility of making many more decisions of their own. I sincerely hope you are prepared to make them.

TOO MANY ANDERSONS

Amy Anderson wanting to surprise her husband, James, arrived at the new apt. he'd rented a day earlier than expected. However, the numbers on the apt. doors had gotten mixed up and she entered the apt. belonging to another Mr. Anderson (name, Jim) who was expecting his wife to arrive. When Jim came home and saw Amy, he concluded she must be a woman he met in a storm the night before; a woman who he thought was part of a conspiracy to take his wallet and blackmail him. His suspicions seemed to be verified when he saw Amy with the wallet which was stolen from him. But Amy had received this from the "woman in the rain" (Beverly Hills, a singer) who returned it to Amy thinking she was Jim's wife. Then Mary, Jim's wife, arrived and a wild mix-up ensued--even the local sheriff found there were just TOO MANY ANDERSONS!

Junior Play

NO BOYS ALLOWED

Rita was through with Fred--after she saw him kiss that blond goodbye. Fred claimed it was his cousin and broke in on Rita's slumber party--strictly a "no boys allowed" affair--and pleaded with her to take him back. Keith and Harvey were to guard the girls against further intrusion but they steal the eats, making it look as if Fred and Leroy are the culprits. Keith who wanted to date Rita, had Harvey scare the girls while he played the hero. Fred, to get back in Rita's good graces, had Leroy dress up as a ghost. It's a mad scramble when the two schemers meet face to face, and madder still when the Midnight Prowler who had been terrifying the neighborhood, appeared. The girls managed to tie Fred and Leroy while the intruders escaped. Fred gets free by promising to take Belinda to the school dance. He and Leroy slipped into the girls' clothes trying to pass themselves off as girls at the slumber party. Fred became a hero when he mistook the Midnight Prowler for Harvey and landed him in a flying tackle. He was on top of the world when his mother explained to Rita that the blonde really was Fred's cousin.

winner

For ten years our school has participated in the Modern Woodmen Civic Oration Contest which the Modern Woodmen Ins. Co. has sponsored on a nation wide basis for twenty years. This contest is designed for pupils of the fifth through junior high grades, and the topic is of a current interest.

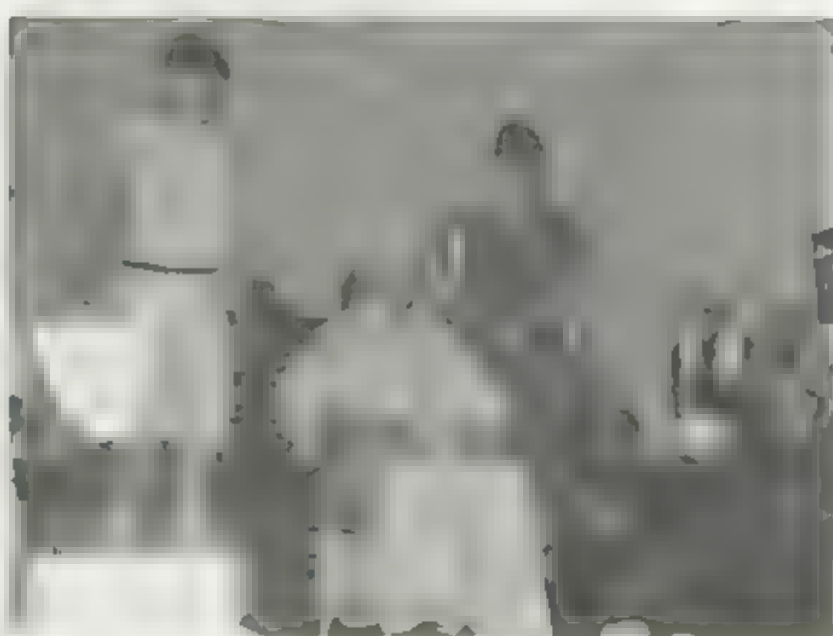

Each room winner receives a gold plated Civic Oration pen, and 7" walnut and bronze individual trophies are presented to the winner and the runner-up of the final competition. The name of the winner is engraved on a 15" walnut and gold plaque that hangs in the hall of the junior high school.
